

Summary of proposed amendments of Title 19, chapter 4  
City and County of Honolulu Administrative Rules

Triennial Calendar Draft

Options	§19-4-11 Regulations governing surf events held on the north shore
<p><b>Explanation:</b> Current shore water rules use a current calendar year. The North shore surf season is from January 1<sup>st</sup> through April 30<sup>th</sup> and then events start back up from September 1<sup>st</sup> to December 31<sup>st</sup>.</p> <ul style="list-style-type: none"> <li>• <b>The surf season triennial calendar shall begin on September 1<sup>st</sup>. A surf event held on the north shore is permitted only from September 1<sup>st</sup> through April 30<sup>th</sup>.</b></li> <li>• <b>Starting from 2025, permits to conduct surf events on the north shore shall be issued on a surf season triennial three-year cycle.</b></li> <li>• <b>An application for a permit to conduct a surf event on the north shore shall be submitted to the department on or before the last business day in the month of September of the year preceding the start of triennial north shore calendar for the event.</b></li> <li>• <b>For example, an applicant desiring a permit to conduct a surf event during the 2025, 2026, and 2027 triennial north shore calendar must submit an application no later than the last business day in September, 2024.</b></li> </ul>	<p>a) Starting from 2022, permits to conduct surf events on the north shore shall be issued on a triennial three-year cycle except for surf events scheduled on the 2019-2021 triennial north shore surf calendar.</p> <p>(b) An application for a permit to conduct a surf event on the north shore shall be submitted to the department on or before the last business day in the month of January of the year preceding the start of triennial north shore calendar for the event except for the 2019-2021 triennial north shore surf calendar (September 2019 through December 2021). For example, an applicant desiring a permit to conduct a surf event during the 2022, 2023, and 2024 triennial north shore calendar must submit an application no later than the last business day in January, 2021. An applicant desiring a permit to conduct a surf event during the 2025, 2026, and 2027 triennial north shore calendar must submit an application no later than the last business day in January, 2024. For the 2019-2021 triennial north shore surf calendar year, starting on September 1, 2019</p>

	<p>and ending on December 31, 2021, applications are due on the last business day in September 2018. No permit shall be issued for use of a park to conduct a surf event on the north shore from June 1 through August 31. Applications that are not completed and received by the close of business on the deadline will not be considered during the conflict resolution process. The director may, in the director's discretion, extend the application deadline, if the extension is consistent with the purposes of these rules and in the public interest.] Eff 7/26/15; am and comp</p>
